

Hope and Healing After Abortion

Living in darkness and depression after an abortion?
Unable to get past the pain of your loss?

There is hope.

There is healing.

There is a way out of your pain.

You can find acceptance, healing and unconditional love in a
safe confidential environment.

There are literally millions of women and men who, alone and
abandoned, suffer some of the most serious psychological
and spiritual consequences of abortion. If you are one of
these many, **we understand and are here to help.**

Contact a local Project Rachel Ministry by phone 888-456-
HOPE (4673). All conversations are held in strict confidence.
